**Thank you for your interest in child care at the Y.** We believe the values and skills learned early on are vital building blocks for quality of life. Because of the Y community, kids are taking more interest in learning and making smarter life choices. At the Y, kids learn how to be themselves. That makes for confident youth today and contributing and engaged adults tomorrow.

**Our Mission:**

To put Christian principles, including honesty, caring, respect and responsibility, into practice through programs that build healthy spirit, mind and body for all.

*Free Days are not given. Service weeks which contain a "School's Out Day" will be pro-rated. Enrolled students will not be required to pay for School's Out Days if they do not attend. **Subsidized care** is available -- please pick up an application at the Upper Bucks YMCA Welcome Center.*

**Snow Days:** *Fee is \$44 (full member), \$50 (program/non member) per day. Enrolled students add the difference between the cost of the snow day and their daily contracted rate. For example: Kindergarten Half Day is \$26 (full member), add an additional \$19 to pay the \$45 snow day fee. Remember, our center will have a delayed opening of 7:00 a.m. on all school delay or snow days.*
