

Upper Bucks YMCA Traditional Day Camps!

Watch your child reach his or her potential with Upper Bucks YMCA day camp! This summer, our camp will be based around team challenges. Each week, teams will be formed and competitions will take place in different areas like sports, science, crafts, and cooking. We will also work on a variety of life skills including leadership, healthy interaction, sportsmanship, and team unity. New this year – daily swimming will be included, but field trips will be optional and an additional fee is required if your child wishes to attend. Please see the list of field trips, below. If your child is attending camp on a non field trip week, we will have a special event that week which is included in your camp price.

What to bring: Cooler with lunch and drink, sunscreen, water bottle, swimsuit and towel. Day Campers should wear sneakers and socks and dress in appropriate attire for active, outdoor play. Swimsuits are only to be worn in the pool area. Children will change before and after swim times.
