The Y™ For a better us.™

Every day, the Upper Bucks YMCA gives our community the support it needs to learn, grow and thrive. From providing a safe place for kids to go, with free memberships for 7th graders and Teen Fusion for middle school students, to sports, swimming, dance and gymnastics classes, to subsidized childcare for families in need, everything we do helps strengthen our neighborhood and the people who live here.

But keeping Upper Bucks County great is a full-time job. Every day, our community faces new challenges that create a greater need for the work we do. And we need your help to do it. Your gift can help Upper Bucks County and everyone in it shine.

GETTING BETTER EVERY DAY

"It is so hard to put into words just how much the Y means to us. The Y has brought us closer as a family and made us gracious members of an amazing uplifting community. For the past five years, my family has participated in so many activities like childcare, summer day camp, sports classes, swim classes, and art classes. Now, two of my daughters are on the gymnastics team and one even went to Nationals! My husband and I love to exercise together, have taken aerobics classes, and I even did a mini-triathlon. We also volunteer for many of the Y's special events and my children are learning the value of giving back. Without financial assistance from the Y we would never have been able to afford for our children to be so involved. The Y has changed their lives and we are so proud to be a part of such an awesome community and beautiful facility. We love our Y!"

When you donate to the Upper Bucks YMCA, you make Upper Bucks County better through programs focused on:

Youth Development

"I like the fact that 7th graders can go to the Y for free. It's a good environment for them and might lead them in the right direction."

Healthy Living

"As a senior, I firmly believe in the health factor. My health is extremely important."

Social Responsibility

"Brings people together. Helps those who cannot afford it."
