## PA BASKETBALL SHOOTING ACADEMY AT THE Y

We are excited to bring Jay Joseph and the PA Shooting Academy to the Upper Bucks Y. The shooting academy is an 8 week program focused on improving and developing basketball shooting with the right fundamentals and foundation. As a former NCAA Division 1 stand-out and professional player in Europe, Jay Joseph now dedicates his time to helping young basketball players perfect the art of shooting. This clinic is designed for current players looking to take their game to the next level.
