

# EMPOWERING YOUTH TO REACH THEIR POTENTIAL

## PURPOSE

Upper Bucks YMCA is pleased to offer seventh grade students free membership to support and encourage youth to live healthy lifestyles and make responsible choices, while in a safe environment.

## WHY 7th GRADERS?

Research shows that seventh-grade is a critical time in a young person's life when exposure to risk factors greatly increases. Risk factors are conditions or influences that have been shown to increase the likelihood for unhealthy behaviors including substance abuse, delinquency, teen pregnancy, school drop-out and violence. It is also during the early teen years that youth begin to distance themselves from family and positive support systems.

The Y makes accessible the support and opportunities that empower these youth to reach their personal potential. We also provide youth with the knowledge, skills, character and passion to be more active in the community as adults.

# DISCOVER YOUR POTENTIAL

## MISSION OF PROGRAM

7th grade is a pivotal and transitional time for many teens. It is a time when sports become more competitive and provide less opportunity for the average child to be involved in physical activity. It is also the time when teens are given more freedom to choose how they spend their free time. Habits that begin in 7th grade are likely to continue into adulthood.

The Upper Bucks YMCA wants to support and encourage kids to make good decisions and form healthy habits that lead to a healthy lifestyle.

The 7th Grade Initiative program provides opportunities for fitness and sports, as well as an opportunity to socialize with peers in a safe, supervised and conveniently located environment.

This special free membership available only to 7th graders demonstrates our commitment and philosophy for a well-rounded approach to the healthy development of the whole person.

## OUR GOALS

- Promote YMCA Character Values: Caring, Honesty, Respect and Responsibility.
- Increase physical and mental wellness.
- Encourage parent involvement and input.
- Provide a safe and secure atmosphere.
- Establish a sense of belonging in each child.
- Have Fun!
