## GYMNASTICS SHOW, 2018

We had 92 children participate in our popular Gymnastics Show. The gymnasts were eager to show off the routines they have been working on to the 240 parents and friends who attended, as well as display the medals they earned at the end of the show.

A collage of four photographs showing young girls performing gymnastics routines on a blue mat and on a balance beam. One girl is standing on a podium, another is being assisted by a coach, and two girls are holding medals.
